Home of the Nationwide Tour - Stonebrae Classic from April 12th through 18th, 2010

The Resurrection Golf Committee decided to change Golf venues from Crow Canyon Country Club to the elite TPC Stonebrae Golf & Country Club in Hayward. This spectacular Golf Course etched in the terraced East Bay Hills features panoramic views of the San Francisco Bay. This course also hosts the PGA Nationwide Event in April. Mark your calendars to play at this outstanding Golf Course, partake of authentic Greek Foods, win great raffle prizes, and enjoy an overall great experience on the day after Mother's Day!

We look forward to seeing you there and hosting another great event!
